Homecoming 74

The 1974 Reedsburg homecoming was a successful one because of the tremendous football victory over the Green Devils of Adams-Friendship. It was also an enjoyable one. Students thoroughly scouted the countryside for Thursday night's bonfire materials and at the same time were hurriedly finishing class floats. The junior class won their second float competition in a row but all bowed to the lowly freshmen when it came to skits.

Ken Ellett and Kelli Meister were crowned king and queen to highlight the Saturday night dance.

"Once Upon A Mattress"

"Once Upon a Mattress", Webb High's musical was a fascination play involving a young prince who wanted desperately to find a wife. Until now all his efforts had been curbed by his domineering mother, Queen Aggravand.

After much plotting and planning and after two hours of thorough enjoyment by the audience, the prince did indeed claim his princess.

The production was complete with music provided by two pianists, interesting choreography, and vocal solos done by many of the cast members.

STUDENT COUNCIL

Student council was off to a good start with its first undertaking — Homecoming. Everything went smoothly thanks to the participation of the council members. The council also undertook Winter Carnival in a vigorous manner. But the council was plagued with serious problems which served to hinder its effectiveness and agenda of activity. The lack of student participation and interest was one major problem. Another was the council's lack of direction and willingness to serve the interests of the students in areas such as open campus and AP pop and candy machines.

The year closed for student council with the question, "What is student council?"

Key Club officers include Secretary-Treasurer Tim Garvey, Vice President, Jim Gavin, and President Kieth VandeWater.

Key club is a service organization sponsored by the local Kiwanis Club. Its members are sophomore, junior and senior boys who offer their services to the community in various ways throughout the year. This year the club's members assisted the bloodmobile unit, packed food cans at Christmas time for the community aid, and assisted the Old Settlers for their meeting. Money was earned by selling popcorn at Basketball games and dues paid by members. Once a year Key Club members are guests of the Kiwanis Club's regular meetings.

The Reedsburg FFA provides leadership activities for its members through participation in Creed, Public Speaking and Parliamentary Procedure activities. This year members attended the National Leadership Conference in Washington D.C., The American Institute of Cooperation in Manhattan, Kansas and the National FFA Convention in Kansas City, Missouri. Chapter members raise the funds for their activities by conducting a Fruit Sale, operating a concession stand at the football games and operating the Hat and Coat Check during the basketball season.

The Chapter recognizes the achievements of its members at the annual Parent-Member Awards Banquet. The members of the Chapter conduct a Corn Drive in the Spring.

FHA

The FHA 74-75 school year was a busy one. They sold Christmas cookies to the teachers and also cookbooks to help raise money for their sponsor child.

They held their annual head start Valentines party and made tray favors at Halloween. Each member also made something for the United Fund.

LETTERMENS CLUB

The lettermen's club is an organization open to any boy who has won a varsity letter in Reedsburg athletics. The highlight of the club's year was their annual outing to the Brewers game in Milwaukee. Consuming 100 pounds of brats and hamburgers was an easy task for the lettermen at their cookout.

The club also started planning for a record board for school athletic records, and an outside press box for the athletic field.

Pep Club had another busy year preparing for support of the various athletic activities. Painting signs, making locker decorations and helping promote spirit through out the whole school are just a few of Pep Club's year long routine jobs.

The homes of the football players, basketball players and state wrestlers all recieved their usual decoration adding to festive feelings. The selling of pom-pons and pins helped earn the money needed to support these and many other various activities.

HOCKEY CLUB

The hockey club was a loose organization of teachers, high school students, middle school students and townspeople all with a common love of the game of hockey. They gathered at the municipal rink under the direction of the city recreation department to compete against other towns like Richland Center and Spring Green. Though their record was only one of mixed success, goalie Randy Wengel was anxiously looking forward to next year.

RIFLE CLUB

Rifle club is a school activity even though it is Nation Rifle Association sponsored. Any student from Webb once a member may participate in the activities provided. The Rifle Club competed in the Milwaukee Sport Competition and also against other rifle clubs. They gathered every Tuesday night at the Reedsburg district administration building for shooting practice.

300-MILE CLUB

The 300 mile club consists of nine dedicated runners who spent the summer keeping in shape. Each ran at least 300 miles and received a medal for reaching this standard. Each kept a log book and competed in a 3 mile race in July. Top runners were Tom Klecker and Stephanie Gavin with over 600 miles each.

The Student Library Assistants are not really a club as such for they do not have officers or a constitution as most clubs do.

Their main purpose is to aid in making the library function smoothly and efficiently so students and teachers may use the facilities to their greatest advantages.

These students volunteer two hours each week to work in the library usually during their sophomore, junior and senior years. Their duties include working at the desk, putting up newspapers and magazines, shelving books, helping with displays, dusting, filing cards and many other helpful tasks.

SCIENTAE MEDICAE

Scientae Medicae is a club that meets once a month on Wednesday afternoons. Any high school student is eligible to join. The club functions to inform the students of opportunities available in the medical professions, to provide candy stripers at the hospital and nursing home, and to raise money to buy small needed articles of equipment for the hospital. The clubs' meetings include special speakers as well as films and field trips. Other activities are Christmas caroling and presenting programs at the Sauk County Health Care Center. A lunch is served at the close of each meeting.

A common place scene in the library includes students hard at work.

YOUTH TUTORS

The Webb YTY program involves giving a senior high school student a new role of responsibility — that of tutor. The Webb students spend their free hour or hours each day working with a child in the lower grades or a peer at Webb. Both the Tutor and the Tutee actively participate in achieving the YTY goals.

The Webb YTY program is unique to CESA 12 district YTY programs in that the Tutors work with pre-school children through 18 years of age students. Tutors are bussed to the 3 school plants located in Reedsburg, in addition to Webb.

CO-OP BUSINESS

There are 14 girls involved in this year's co-op program, headed by Mr. Fetsch. Two hours of classroom and at least 180 work hours a year in Reedsburg businesses are required. In order to be a part of the co-op program, the following are required: a C average or above; typing, and a good attendance record. The girls also do some special things during the year like selling calendars to raise money and having an annual spring banquet for their bosses.

This year Latin Club undertook some new activities that helped teach them about the life and adventures of the Romans.

A Folk Fest was held where students learned dances from the Roman and Greek times.

Once again the Latin Banquet proved to be a highlight for all foreign-language students this year.

The members participating in Latin Club this year proved that the spirit of Latin and the Roman culture will always remain alive.

SPANISH

This year Spanish Club did many money making adventures. At the beginning of the year they had a bake sale. At Christmas they had their Spanish party with tacos as the highlight. Also during Christmas they sang for the people at the Health Care Center. They then sold "Beavers All The Way" buttons. The Spanish Club also had the concession stand for both the basketball and wrestling regionals, sold cans of candy, and were part of the Webb High Folk Fair.

FRENCH CLUBS

French Club has been reorganized this year. They have chosen a chairman, Becky Diece, and representatives from each class to report back to the students. These representatives were Ann Stolte, Kay Stolte, Martha Knight, and Sharon Hasz.

In place of the standard Mardi Gras, a French dinner was held. The meal, featuring Saucisses de Boeuf a La Bourguignonne, was highlighted with the singing of the French National Anthem, La Marseillaise.

The money raised by this and other activities was used for an activity of the club's choice. This year's goal was eating at a French Restaurant.

AFS

The AFS club annually faces the monumental task of raising $850 to bring a foreign student to Reedsburg. This year's student was Ulla Undenas from Sweden.

A fall welcome picnic and manning the concession stand for home football games opened their year. A very successful talent show and AFS weekend brought in other foreign students from neighboring communities. Finally the club sold and assembled over 600 pizzas as their final money making event of the year.

HISTORY DISCUSSION CLUB

History Discussion Club concentrates on discussion issues that the participants consider relevant to an understanding of today's society. The three issues selected for examination this year were 1) the assault on individual privacy 2) today's secondary education system; and 3) crime in America. The members then read a book or books selected by the group to familiarize them with the topic. After this, the members met to discuss the issue. The participants ended the year by attending and discussing a film.

THESPIANS

Thespians sponsor two dramatic productions each year — a fall musical and a spring play, with tryouts open to all high school students. They also sponsor an Annual Valentine's Bake Sale to help earn money for their spring trip to see a production done by some other community.

This year, thespians initiated a new "get acquainted with your dramatic organization" program in form of a Coker. This was an open invitation to all students who wanted to learn more about Thespians to attend an informal party, meet the Thespians, learn about the organization and decide if they would be interested in joining. Hopefully this will become an annual event.

Vocal Groups Bring Joy to Webb High

Besides presenting the annual Christmas and Spring Concerts, the concert choir participated in the Fall Choral Festival for area schools hosted by Baraboo. This spring they also traveled to Janesville Parker for an exchange concert.

Madripops expanded its presentations to include a number of pre-Christmas programs. A busy schedule of Spring concerts included the other district schools and a community banquet. The highlight of their year was singing in Baraboo's Al Ringling Theater for Kenyon Giese's salute to Sauk County's Musical groups.

Girls' Glee presented beautiful singing at the Christmas and spring concerts.

The highlight of the season was a 1 point overtime victory over conference leading Wisconsin Dells only to be followed by a loss that dropped the team into a three way second place tie with Tomah and Sparta. Top individual awards included all state recognition for linemen Ken Ellett and Don Meyer, also a Vince Lombardi award for Ken.

Harriers

The cross country team competed in 11 meets in 1974 beating 28 teams and losing to 33. This included meets as far away as Rhinelander and as big as the 50 team 3 class meet at Holy Name. Coach Herum was very proud of the underclassmen's success in a tough sport.

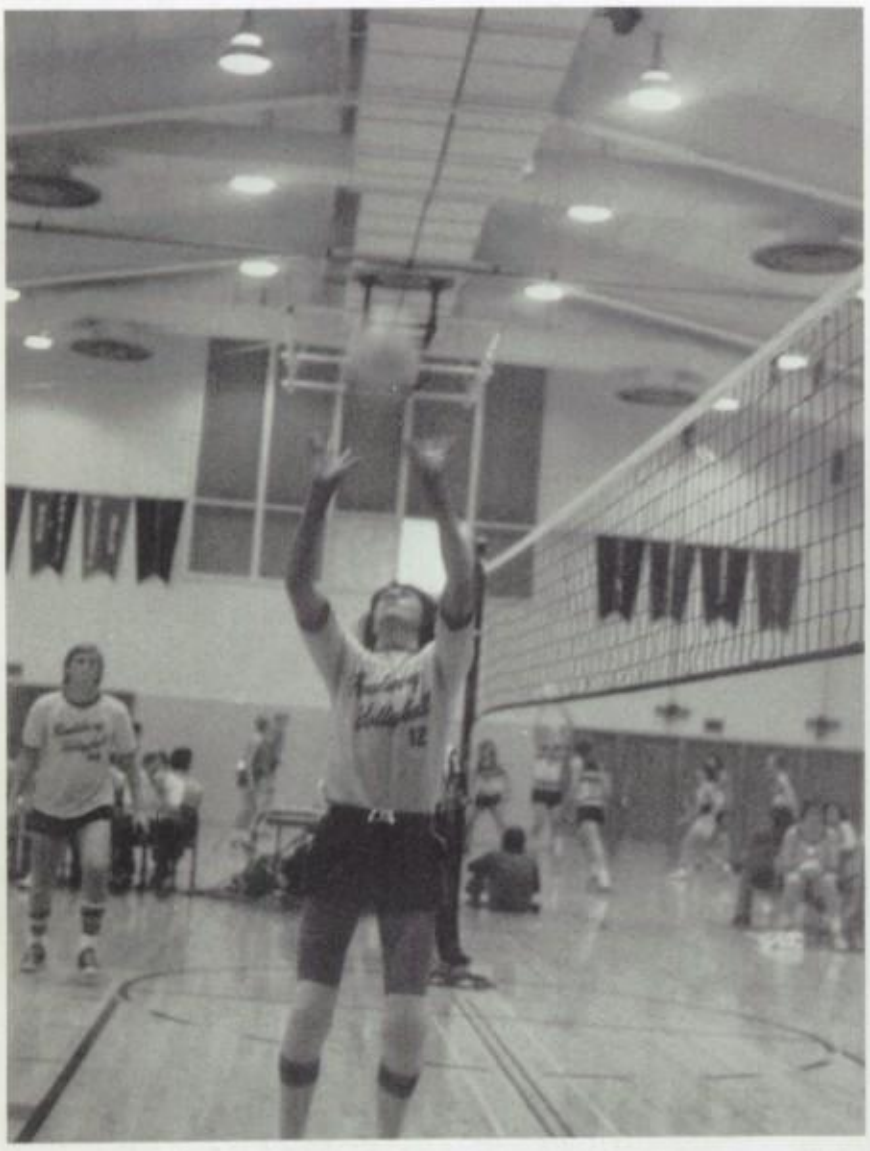
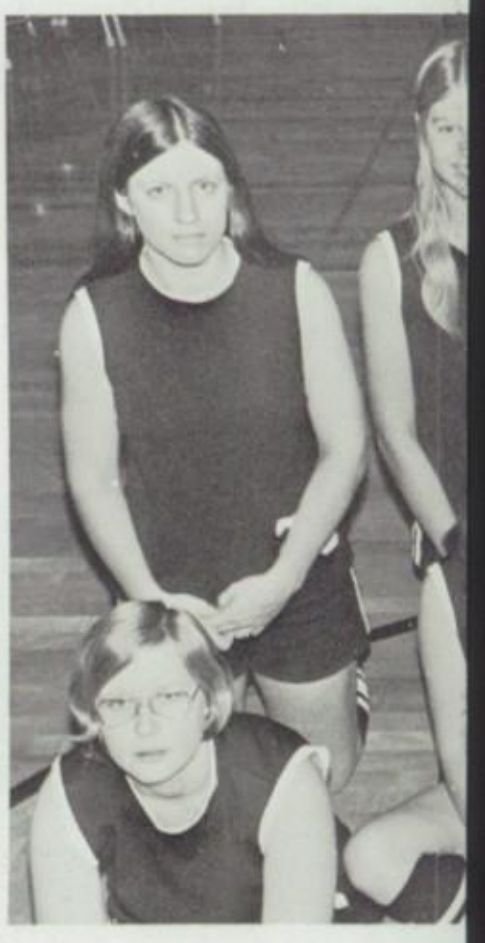
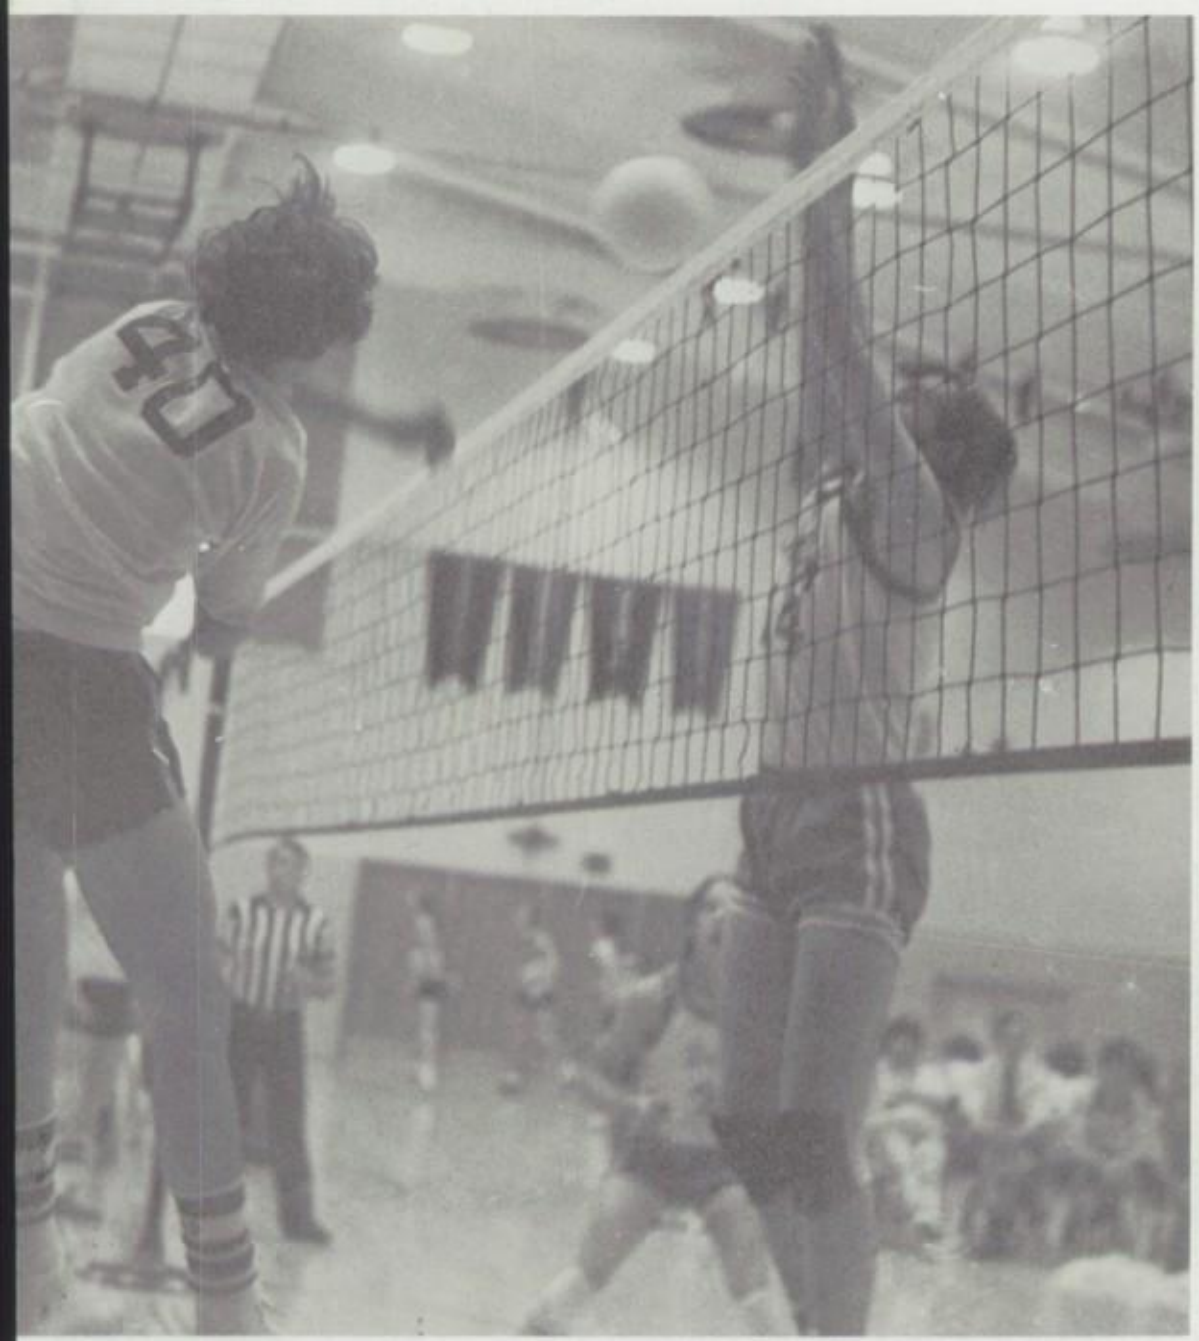
Volleyball: Both Gain Sectionals



The girls' volleyball season ended with a 6-7 record. Twelve seniors lead the team with fewer members from each of the other classes. The highlight of the season had to be a trip to sectionals in Madison after beating Sparta in the Tomah regionals.



Boys' Volleyball Team: FRONT ROW: *Roger Friede, Jerry Krug, Peter Romoren, Mark Skinner, Cory Erickson, Kevin Knudson, Mr. Sorum, Coach.* ROW 2: *Jeff Groy, John Davis, Tim Garvey, Jeff Montgomery, Bob Nagel.*



The boy's volleyball team began the 1974 season with high hopes and expectations. The team was stunned by a first game loss at the hands of a well-tuned Adams team. This, however was followed by a 9 game winning streak including an exciting pressure packed victory against Adams. The team then suffered a letdown and lost the last two games to Baraboo and Sauk Prairie.

In tournaments, the Beavers swept through the regionals and headed into sectionals with high hopes. The team was soundly trounced by a powerful Madison West team but went on to beat Sauk Prairie for the second place medal. The volleyball teams' best ever record was 12-4-1.

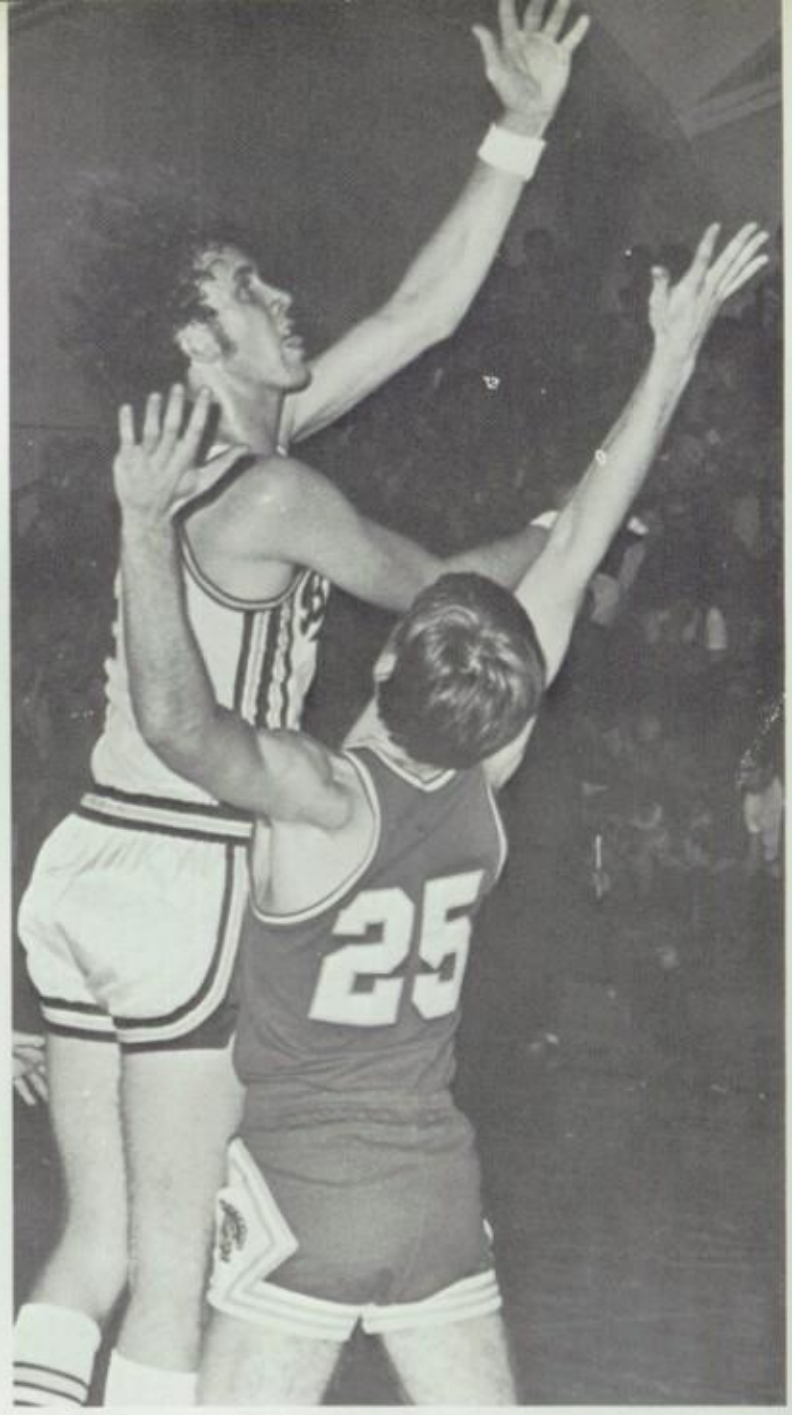
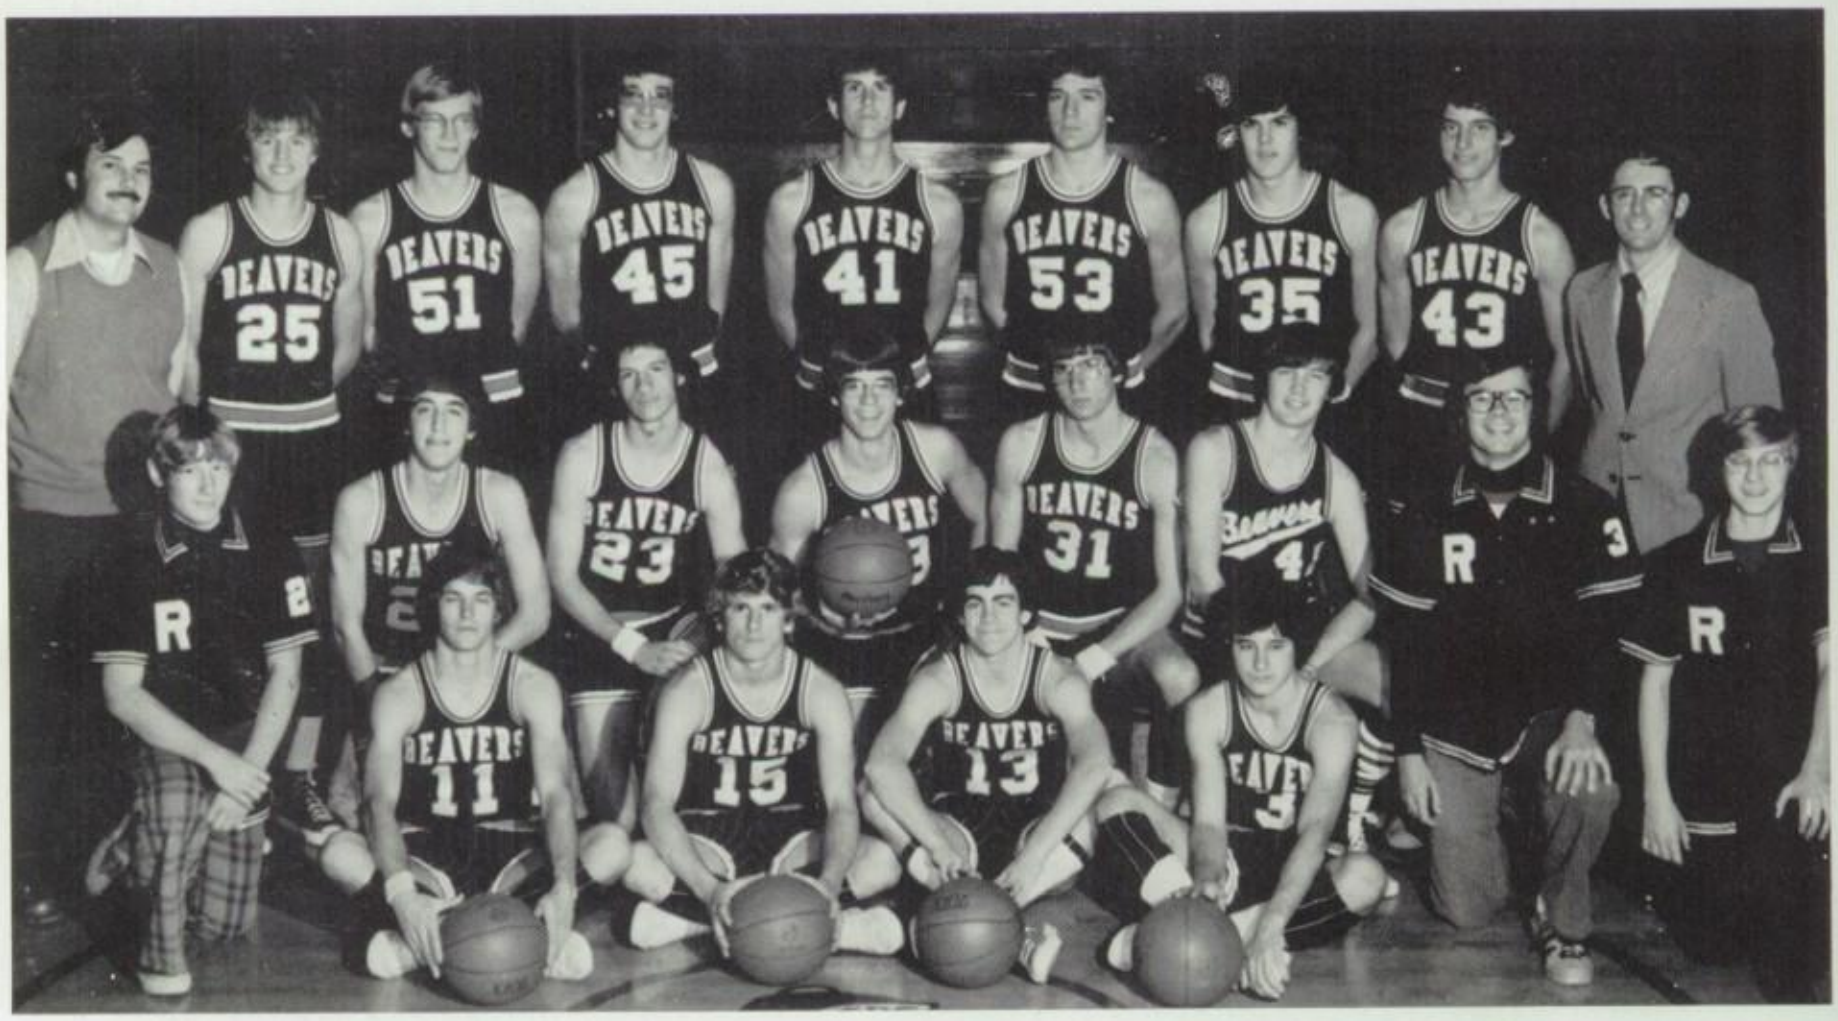
Basketball: A Trip To State





Varsity Basketball: ROW ONE: *Mark Romberg, Larry Douglas, Jim Gavin, Mike Hale.* ROW TWO: *Scott Sachse, Jerry Krug, Russ Harms, Noel Emerson, Rodney Williams, Gary Holtz, Cory Erickson, Dave Roedinger.* ROW THREE: *Mr. Werman, Mike Lange, Peter Romoran, Mike Svoboda, John Rector, Marv Svoboda, Tom CLossey, Jeff Groy, and head coach Bill Moran.*

The varsity basketball season was unique and totally unpredictable for 74-75. Coach Bill Moran's Cagers started the season with a victory over the perennially strong silver eagles of Monona Grove and continued their winning ways until disciplinary action and suspensions helped cause a late season slump with consecutive losses to Tomah and Mauston. With the conference crown now beyond reach, the Beavers started their "second Season" and stormed through the regional tournament. The high point of the season was reached when the boys upset Big Eight conference champs, Madison West and 10th ranked Madison East for the Madison sectional championship. The Beavers entered the coveted State Basketball Tournament for the second time in five years.

Girl's Basketball Second Season

The Girls Basketball team had a good season in spite of the handicap of working with their third and fourth coaches in two years. Their record was 7-5 with three of their losses by two points or less. The other losses came at the hand of a tough River Valley team.

Kay Jackson, Joann Lohr, and Terri Moore were the leading scorers for the varsity while Loretta Hawkins lead the jayvees.

The fan support for the girls also showed a marked increase over the previous year however the girls still had to make their own locker decorations.

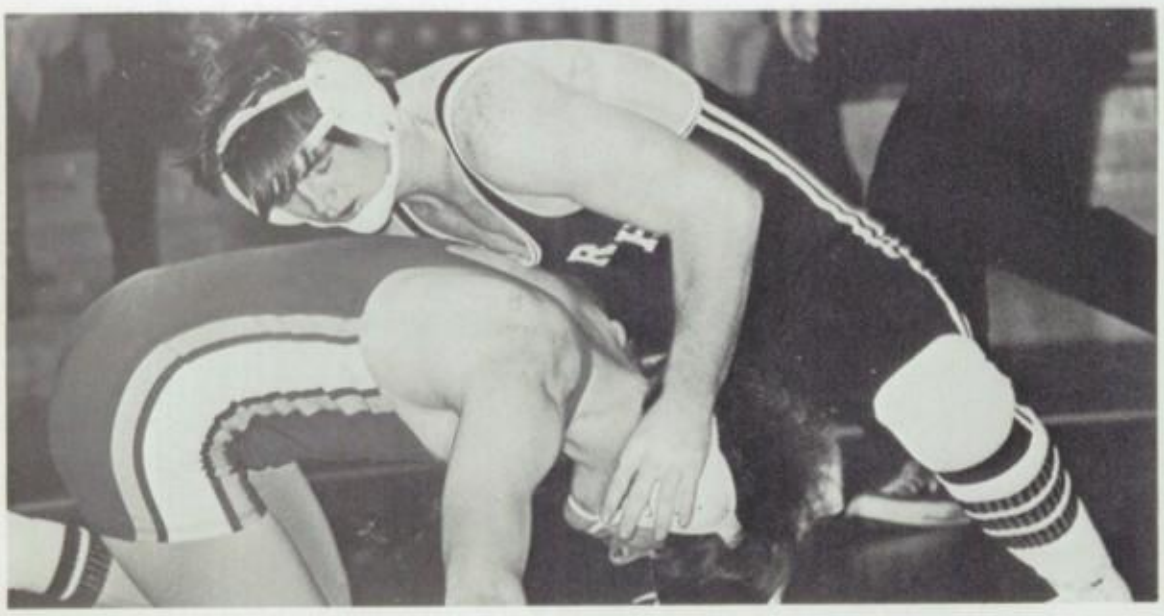
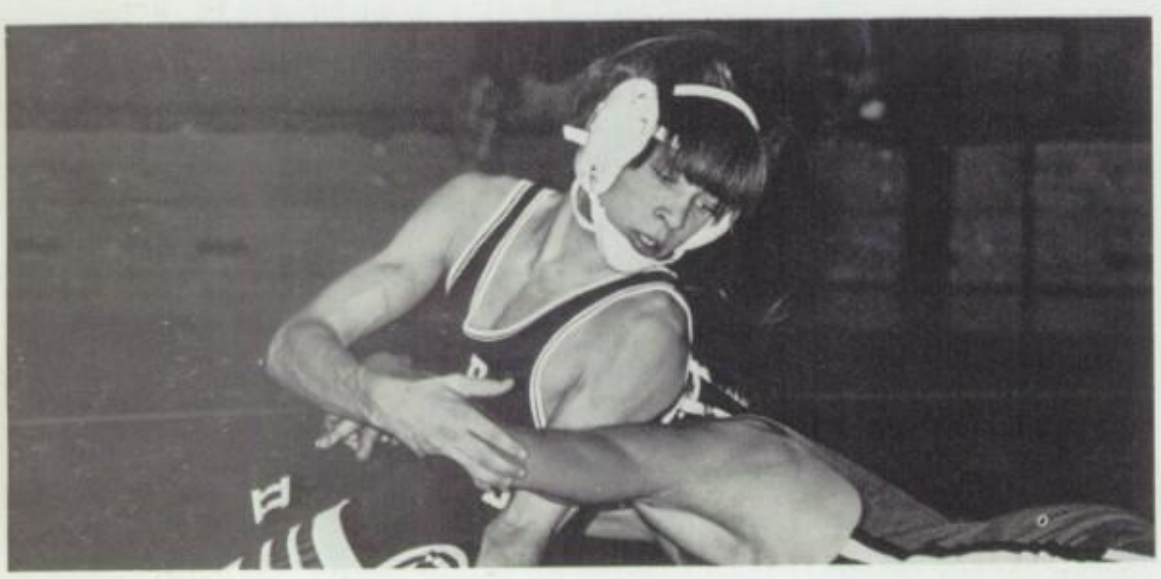
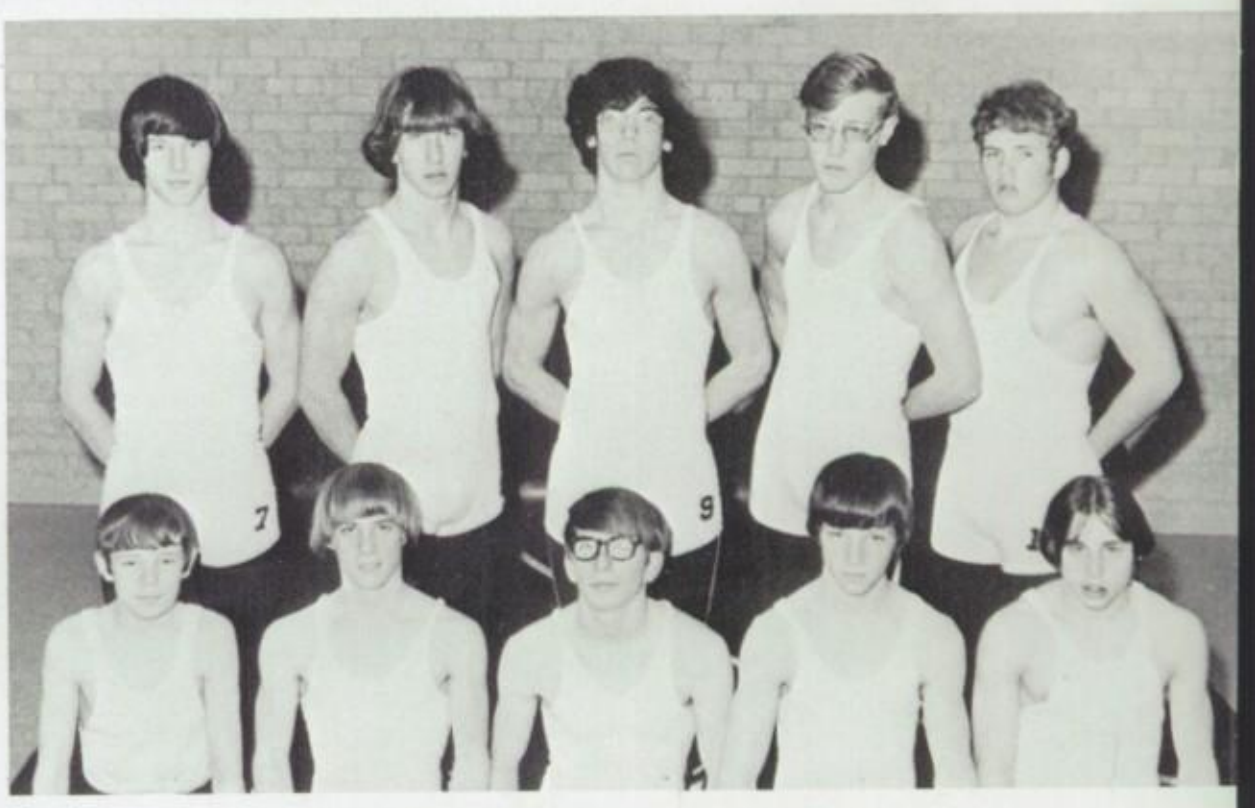
Reedsburg Wrestlers: Conference Champs

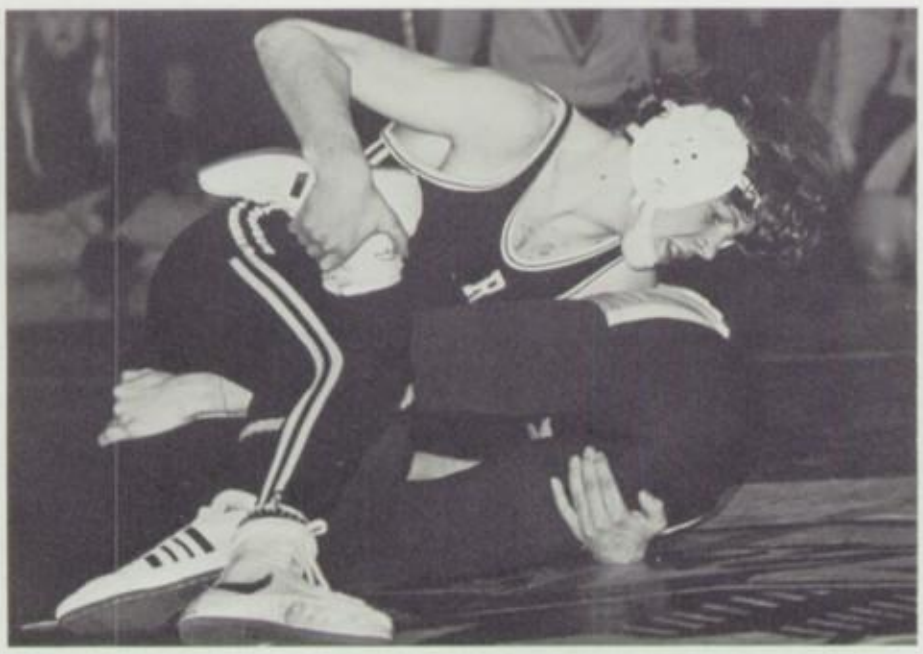


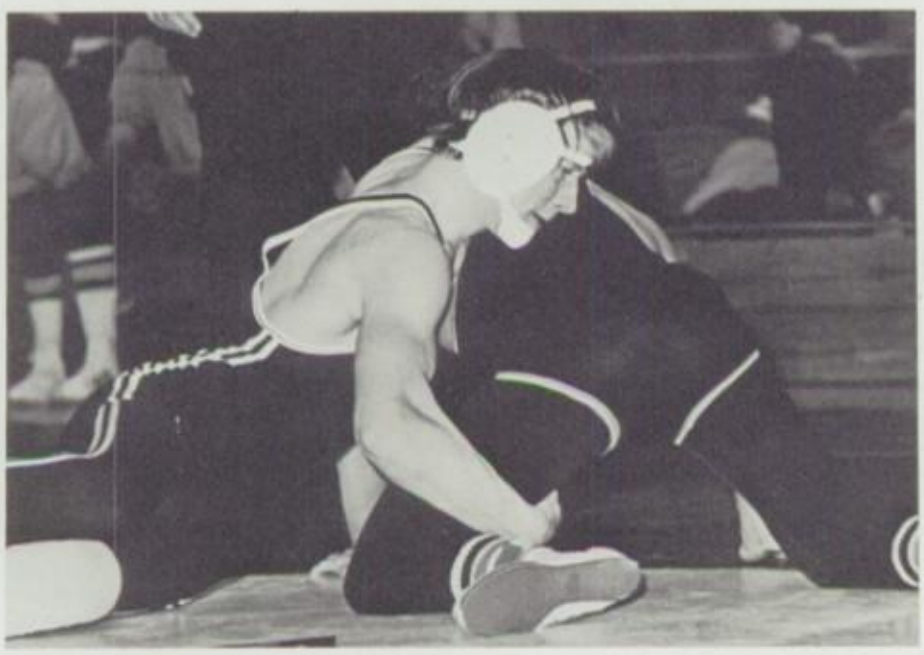


Don Meyer: State Champ



Junior Varsity Wrestling Team: FRONT ROW: *Tom Manville — 98, Dean Repka — 105, Ted Held — 119, Kevin Schulenberg — 126, George McKonkey, — 132.* ROW 2: *Bill Conlin — 138, Kurt Idhe — 145, Dave Meyer — 155, Dave Tourdot — 167, Kevin Geimer — 185.*





Reedsburg's wrestlers finished a great season with a repeat individual state championship for heavy weight Don Meyer and state qualification for Wayne Tourdot and Scooter Ellett. A big dual meet victory over undefeated Dells and a late season win over Mauston assured the Beavers a tie for the dual meet conference championship. A fine tournament performance at Baraboo gave the Beavers their first conference tournament championship in more than ten years.

Other season highlights included a second place finish behind Mosinee in the Reedsburg Invitational, and an eighth place finish at state tournament. The Beavers were ranked 12th in overall state team rankings at the end of the season.

Reedsburg put together a fine golf team to finish second at the conference meet, the highest that the Beavers have ever finished. Although they finished 4 strokes off the pace for a third in regionals, their coach, Mr. Capan was pleased with his team which he described as his best ever. Though the team had no stars, the top average went to junior Dan Lehman.

Sophomore Bob Simeon Reaches State In Tennis

The tennis team put together a fine season that eventually ended with sophomore Bob Simeon playing in the singles competition at state tournament in Madison.

The boys also advanced as a team through regional and into sectional competition at the Madison Raquet Club.

A first place finish at the Sauk-Prairie conference tournament was also a season highlight.

After a mediocre start, the baseball team came on strong near the end of the conference season only to lose the southern division race to Sauk Prairie. This was followed by a trip to Tomah, where in non-conference action, the Beavers defeated the conference champion Indians.

Tournament began at Hillsboro with a Memorial Day victory over Weston. A victory over Hillsboro advanced the team to the regional finals against Pardeeville where the season ended with a close 4-3 loss. The season was quite successful considering the lack of experience on the team.

Ken Ellett finished a fine sixth place in state class A Shot Put competition to pace the Beavers through a good season. Other school records fell to Russ Harms in the long jump, Keith VandeWater in the mile, the relay teams, and Tim Scott tied the pole vault record.

The girls track team gained much valuable experience as the team was dominated by underclassmen. New school records were set by Barb Greenwood in the hurdles, Jeanne Rynkowski in the mile, Carol Koenecke in the 880 and the mile relay team.

CLASSES

The 1974-75 freshmen class officers are: President Terry Hinz, SEATED; secretary Kari Gesteland, LEFT; and vice-president Debbie Daugs, RIGHT.

Freshman are supposed to lose at homecoming. They've never built a float before. "What is a skit, anyway?", the freshman class president asks. But this year something happened! For the first time in years the freshmen didn't finish last, third or second. They Were FIRST in skit. A pantomine, some help from an adviser Mr. Barry, and our enthusiastic bunch of kids was all that was necessary.

Creative Freshmen Win Skit Contest

Students learn the metric system by playing metric rummy in general math. The contestants are Kim Phillips and Mike Jackson.

The 1974-75 sophomore class officers are: Mary Kraemer, president, Rita Montgomery, secretary, and Carol Koenecke, vice-president.

What was the loudest noise in the last five or six years at Webb High? We're not sure but most guesses would include Friday afternoon January 17 at about 2:45 when twenty of the most dedicated sophomores Webb High has ever seen lined up along a rope stretching the length of Webb's gymnasium. At the other end was Don Meyer, Ken Ellett and everything else that is huge in the senior class. The flag was dropped and the sophomores gave a mighty tug, then strained, pulled and dug in. Winter Carnival will never be the same. Sophomores aren't supposed to beat the seniors.

During the year, juniors discovered that it was easy to make money in the stock market. Encouraged by their "brokers" to BUY? BUY? BUY, laborers, farmers, social critics, bankers, businessmen and women found their WPS totals increasing to astronomical totals. At least that was true until that fateful day of October 24, 1929, when AT and T dropped to 12 WPS per share, and FLALANDS to 1 WPS per share. Most investors found that they had been wiped out in the stock market crash. Those fortunate few who maintained their wealth soon joined their poorer classmates when the banks closed in 1932. From there on, it was a struggle to regain WPS which were a key to success in PANIC.

My what big feet you have, "Dinky Dee".

What are the three words that characterized this years senior class? Loud, Louder, LOUDEST!!! Four years of continuous domination in class yells, the enthusiasm of the "Suprunes", the Webb Sisters, and the single handed efforts of many people have well estabilised the Spirit of "75". Senior athletes also provided much of the incentive for the fans. The seniors also swept the Winter Carnival and Homecoming activities.
